Enamel Pin Set CORE

Three small, hard-enamel pins feature intricate, pixelated geometric designs in cyan, hot pink, and yellow. The glossy enamel surface catches the light, enhancing the electronic, digital feel of the motifs. Each pin has a metallic border that frames the vibrant colors, creating a crisp, collectible look. The designs evoke the precision of synthwave aesthetics, offering a tiny, wearable nod to the hypnotic nature of electronic music production.

Est. $12 · min run 50 · margin $9.5/u

enamel pin maker: Set of 3 hard-enamel pins, 1.25 in, butterfly clasps, mold fee applies.

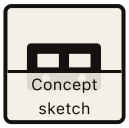

Sticker Pack CORE

A sheet of die-cut vinyl stickers displays three distinct, abstract designs in hot pink, cyan, and yellow. The shapes suggest rhythmic pulses or digital glitches, rendered with smooth, flowing lines against a deep purple background. The glossy finish of the vinyl adds a layer of shine, making the colors pop vividly. The overall aesthetic is playful yet sophisticated, perfectly capturing the energetic and hypnotic spirit of electronic music in a durable, everyday format.

Est. $4 · min run 100 · margin $3.58/u

sticker printer: Die-cut or kiss-cut vinyl stickers, 3 designs, waterproof, 100 min run.

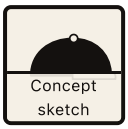

Cassette-Style USB CORE

A compact, cassette-shaped USB drive in deep purple plastic features a label design with sweeping cyan and hot pink curves. The familiar form factor evokes nostalgia, while the vibrant color palette injects a modern, electronic energy. A small yellow detail on the side adds a dash of brightness. The object feels like a bridge between analog warmth and digital precision, offering a tangible, collectible item that resonates with lovers of electronic music history.

Est. $18 · min run 50 · margin $13/u

USB / cassette duplicator: Cassette-style 8 GB USB pre-loaded with the artist's own tracks, printed J-card insert.

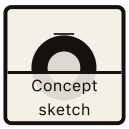

Embroidered Corduroy Cap LIMITED

An unstructured, six-panel corduroy cap in deep purple features a small, flat embroidery on the front. The motif is a simple, geometric shape in cyan and hot pink, evoking a calm, hypnotic electronic rhythm. The soft texture of the corduroy contrasts with the crisp, bright threads, creating a cozy yet stylish look. A tiny yellow accent completes the design, keeping the overall aesthetic understated and sophisticated.

Est. $28 · min run 24 · margin $19/u

embroidery shop: Unstructured 6-panel corduroy cap, flat embroidery up to 3 colours, digitizing fee applies.

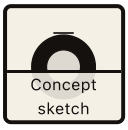

Embroidered Patch Set CORE

Two sturdy, iron-on patches with merrowed borders in dark purple display sharp, angular geometric shapes inspired by electronic waveforms. The embroidery utilizes vibrant cyan and hot pink threads to create a high-contrast, vibrating effect against the fabric. The design feels like a fragment of a digital circuit, offering a tactile, industrial aesthetic that resonates with a raw, energetic vibe suitable for jackets and bags.

Est. $8 · min run 50 · margin $6/u

embroidery shop: Set of 2 iron-on embroidered patches, 3 in, merrowed border, digitizing fee applies.

Acrylic Keychain HERO

A translucent double-sided acrylic charm suspended from a silver ring. The print features a bold, pop-art inspired emblem in burnt orange and forest green against a cream background. The edges are crisp and clear, capturing the light. The overall mood is playful yet resilient, echoing an indie underdog spirit with vibrant, high-contrast energy.

Est. $8 · min run 50 · margin $6.15/u

acrylic charm maker: 2 in double-sided printed acrylic charm with ring and clasp.
